## INTRODUCTION

SMART CHEF CATERING EQUIPMENT TRADING LLC is licensed U.A.E based company, We have secured an array of top quality products, and developed adequate expertise thanks to the long lasting partnerships with our top rated, reputed suppliers. Proposes you with a selected range of products appropriate to your business and individual requirements, and specializing in the supply of Hotel, Bakery, supermarket, Laundry, custom fabricated Equipments and installation of industrial kitchens in the United Arab Emirates.

We have organized the Trading Division so as to provide you with the quality services and have dedicated product specialists to look after your specific needs and requirements.

Our team of sales specialists would be pleased to meet you to discuss about your projects at development stage, so that we can recommend the best value for money solution. The Trading Division's success also relies on team work.

# Smart Vision

## OUR VISION

Our vision is to be the leaders in providing value-added services to our customers by creating successful partnerships with them throughout the construction process. We can achieve unhindered growth by meeting customer needs in every respect. We believe this can be provided by delivering high-end quality, cost-effective and cutting-edge innovative products.

It is the policy of Smart Chef to deliver products of highest quality by using best techniques which confirm to the specified standards of quality and performance to ensure a competitive advantage.

## OUR MISSION

With the aim of "From Conception to Completion," we have established our company's mission to provide high-level satisfaction to our existing and future clients by helping them realize their dreams and maximize the potential of their kitchens.

We offer the best services to our clients by making sure that every project will be completed on time and budget, providing no limits in meeting our valued customer's requirements. So, if you are looking for quality kitchen equipment Dubai services, get in touch with us.

# MISSION

## SCOPE OF WORK

With years of industry experience and connecting with industry partners, SMART CHEF is perfectly positioned to assist with all your project needs; from site selection / commercial kitchen and food service design / equipment selection / commercial catering fitouts etc.

## Quality Policy

We SMART CHEF committed to render engineering contract service to the satisfaction of the customer's through effective implementation and continually improve the effectiveness of Quality Management System.

We accomplish this through the objectives of :

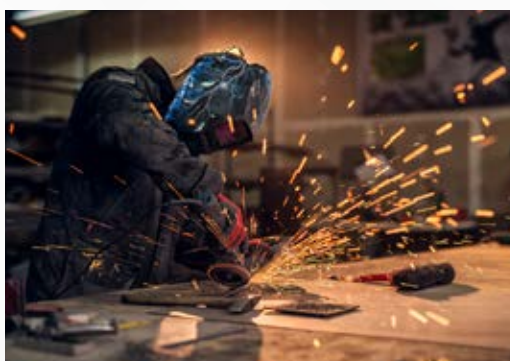

- Understanding the customers needs.
- Deployment of Quality Culture & Functions.
- Procurement of Quality Products.
- Ensuring the requirements of safety & protection.
- Reliable and Timely service.
- Enhancing customer satisfaction.
- Effective utilization of resources.

## OUR SECTORS

- HOTELS & CATERING
